ANDREW SILVA

Cloud Computing Architect – Fresher

📍 Mettur, Tamil Nadu, India | 📞 +91-9597728902 | ✉ silvaandrew.a@gmail.com

💼 LinkedIn: www.linkedin.com/in/andrewsilvaa

SUMMARY

Certified Cloud Computing and DevOps professional with a strong foundation in cloud architecture, infrastructure automation, and deployment strategies. Eager to apply academic knowledge and hands-on training to design, manage, and optimize cloud solutions. Passionate about scalable, secure, and cost-effective architectures.

TECHNICAL SKILLS

- Cloud Platforms: AWS, Azure (Basics), GCP (Basics)
- DevOps Tools: Docker, Jenkins, Git, Terraform, Kubernetes (Intro)
- Scripting: Bash, Python (Basics)
- IaC & CI/CD Pipelines
- Version Control: Git, GitHub
- Monitoring: CloudWatch (Basics), Grafana (Intro)

EDUCATION

Bachelor of Engineering in Medical Electronics Engineering
[Sengunthar College of Engineering/Anna University], [Tiruchengode]
Year of Graduation : 2020

CERTIFICATIONS

- Advanced Certification in Cloud Computing and DevOps – [Intellipaat, 2025]

ACADEMIC PROJECTS

Cloud-based Web Hosting Infrastructure
- Deployed a scalable web application on AWS using EC2, S3, and Route 53.
- Configured CI/CD pipeline using Jenkins for continuous deployment.
